
Identification & supporting documentation

- I confirm that I have not physically inspected the property I have submitted an application for.
- Connect Realty has given every opportunity and recommendation to physically inspect the property that my application was submitted for.
- Connect Realty has provided options to have someone inspect on my behalf or digital video walkthrough.
- I understand that the property application is being made as per described in the marketing photos, video and description in its "as per advertised" condition and assumes all responsibility with regard to the condition and that the landlord is under no obligation to make any changes upon applicant viewing the property due to this.

I have read, agreed to, and understand all the detail outlined in this document.
